

Module 19 Day 2: Splunk Certification

- For the remainder of the class, you will register for and begin several free Splunk training courses.
- You must register for a Splunk account and complete the registration.
- Once the registration is completed, you will complete two of Splunk's free online courses.

Setup and Registration

1. Navigate to the [Splunk registration page](#).
 - Fill in the registration information located on the right side of the page titled Create Your Splunk Account.

Starting the Courses

1. View the [available single-subject courses](#) (free and paid).
2. Complete the following Free Course:
 - i. Intro to Splunk?
 - ii. Splunk Fields (Begin this one next)
3. Select the first option of ""[Intro to Splunk](#)." by selecting the Free eLearning option.
4. Complete the registration and confirm your order (Note: There will be no cost).
5. After completing the course, return to Step 1 to take the second course, [Splunk Fields](#)

Optional: Free Splunk Advanced Monitoring Tools Training

If you are interested in taking free eLearning courses on Splunk's advanced monitoring tools, feel free to take any of the following courses:

- [Introduction to Splunk SOAR \(eLearning\)](#)
- [Splunk User Behavior Analytics](#)
- [Security Operations and the Defense Analyst](#)
- [UBA SOC Analyst Walkthrough](#)
