

Module 21 Day 2: Pure Gold Credit Union Case

Activity Introduction

- In this activity, you will work as forensics investigators conducting an investigation into the Pure Gold Credit Union Case.
- You will work in small groups to become familiar with the case.
- You are provided a list of the evidence for the case.
- You are tasked with answering several questions while reviewing the case.

Instructions

1. Review the [Pure Gold Credit Union Case file](#) with your group.
2. As your team prepares for the investigation, collect the following information:
 - i. What are the basic facts of the case?
 - ii. Who are the suspects?
 - iii. What evidence was confiscated?
 - iv. What could be admissible as evidence?
