

Module 23 Day 1

Activity File: Security+ PBQs

- In this activity, you will be provided several Security+ problem-based questions (PBQs).
- Complete all the questions in the allotted time.
- Be sure to read all the instructions carefully before completing the activity.

Instructions

1. Access the [Security+ PBQ Quiz](#).
2. The quiz contains three PBQs from three domains:
 - Cryptography
 - Network Security
 - Threats, Attacks, and Vulnerabilities
3. Answer each question where indicated. Note that the network security question has three parts.
4. Submit your answers when you are finished.
